

Nora Patel

TA Candidate | Student ID: ta20230017

Email: 20230017@bupt.edu.cn | Phone: 13810003017

Location: BUPT International School, Beijing

PROFESSIONAL SUMMARY

Machine learning enthusiast with capstone modeling experience and workshop facilitation skills.

EDUCATION

Beijing University of Posts and Telecommunications (BUPT), International School

Bachelor in Data Science (Expected Graduation: 2027)

Relevant Coursework: Core major modules aligned with TA application focus areas

TECHNICAL SKILLS

- Python
- pandas
- scikit-learn
- Jupyter
- Matplotlib

EXPERIENCE

ML Capstone, Student Success Prediction (2025-2026)

- Trained and evaluated logistic regression and random forest models on 200k rows.
- Presented confusion matrices and feature importance to faculty panel.
- Co-taught one-day Jupyter workshop for sophomores.

AVAILABILITY

- Available for weekday labs and coordinated office-hour blocks during term.
- Can commit stable weekly hours with advance notice for exam weeks.
